

Fall Cleaning Checklist

★ Eight simple resets that keep your home running quietly through the season ahead.

- ☐ Wipe down refrigerator coils
 - twice a year keeps energy bills down
- ☐ Deep clean the oven before holiday baking
- ☐ Descale the coffee maker
 - a vinegar rinse, then two of water
- ☐ Clear the dryer vent and lint trap
 - a clogged vent is a fire risk, don't skip
- ☐ Wash the range hood filter
- ☐ Wipe the washer gasket, run an empty hot cycle
- ☐ Vacuum behind and beneath large appliances
 - dust here quietly drags down efficiency
- ☐ Swap air, water, and vacuum filters
